## RE: Qualifying Charitable Organization – Provisional Approval

Greetings Mr. Russell:

Love Tree Farm meets all criteria to be considered a Qualifying Charitable Organization. Your organization's name will be added to the list of qualifying charitable organizations on the Arizona Department of Revenue website during the next regular update, scheduled for July 3, 2017. You can find the list on the Arizona Department of Revenue website at [azdor.gov](http://azdor.gov). Just click on "Tax Credits", "Qualifying Charitable Organizations" and then "2017 list".

As a newly formed organization, your approval is based upon the expectation of meeting the financial requirements of the program. At the end of the year, we will request documentation indicating the organization's actual spending on eligible services and clients. If you meet the requirements of the law, your organization's name will remain on the department's website listing of Qualified Charitable Organizations. If you do not meet the requirements of the law or do not provide the requested information, your organization will be removed from the department's online listing of Qualified Charitable Organizations. You must also notify the department of any changes that may affect your qualifications.

Enclosed is a certificate acknowledging that your organization meets all criteria to be considered as a Qualifying Charitable Organization. You may display the certificate or keep it in a file. Your charity's status is valid for the entire 2017 tax year.

Thank you for your request to qualify your organization as part of the tax credit for charitable organizations.
